Dear Bryan;

I want to start by saying "Thanks for a Job Well Done" on flying the Pisgah Bear into Canton Memorial Stadium on December 1, 2006. This was a great piece of work and you have made a major impression on this town and community.

Although we lost the football game, we won utilizing Falcon Airlink and pilot Bryan Neal.

I can not thank you enough for your help and dedication to this effort. It was truly a time that people from Shelby N.C to Canton N.C will never forget and it would not have been possible without your support.

I apologize for not having the disk prepared sooner, but this copy is for you to use as you see fit.

If I can ever be of assistance to you or Falcon Airlink, please do not hesitate to call 828-648-2376.

Respectfully Submitted,

A handwritten signature in cursive script that reads "Capt. Bryan Whitner".
